Darshan booking allows you to Bhagawan darshan (viewing), perform Abhisheka and collect Prasad. Due to hall capacity limits, seating is reserved for those who book Pooja.

Can I change my arrival time?

We are expecting all the slots to be fully booked. Hence changing to another slot may not be feasible.

What happens if I arrive early or late?

Priority will be given to those who arrive at the registered times. You may be asked to wait outside the venue while the queue inside is cleared.

Can I book Pooja on the day at the venue?

Pooja slots are limited in number and if they are fully booked, you will not be able to book at the venue. Also, you may not be able to book certain poojas if rituals are already complete. For example: if you are arriving after the Abhisheka, you will not be able to book Rudrabhisheka.
